QA RESOURCES:

QA BOOK (\$259*)

QUINTESSENTIAL APPLICATIONS: A(K) Clinical Protocol is co-authored by Drs. McCord & Schmitt. It is the first ever neurologically based AK clinical reference manual. Designed for use in the treatment room, the **QA** Book provides instant access to the practical procedures and powerful techniques taught in the **QA** Course.

QA AUDIO CDs (\$95*)

A topically indexed, 4 CD Set, clearly present the thought process that gives rise to the **QUINTESSENTIAL APPLICATIONS Clinical Protocol**. In this fascinating audio presentation, Dr. Schmitt introduces his paper, *The Neurological Rationale for a Comprehensive Clinical Protocol Using Applied Kinesiology Techniques*, summarizes its contents, and, while reading it in its entirety cogently interjects elucidating commentary providing insight into the basic science and intricate physiology that drives the **QA Clinical Protocol**.

QA DVDs (\$325*)

All 15 QA Sessions were professionally recorded with HOME STUDY in mind. Each session was digitally mastered using 2 cameras for best view of demonstrations, direct-feed audio and digitally inserted PPT slides (providing remarkable clarity), with all subject matter fully indexed of ease of access.

QA ENROLL @ HOME SPECIAL (\$599*)

The **QA** Enroll @ Home Special (**QA** Audio, Book & Session 1 DVDs) provides the doctor with all the required initial comprehensive educational resources needed to begin the **QA** Distance Learning Course this Fall!
